

KING HOT TUB & SPA

Whether for relaxation, therapy or just good fun, our 6 person super-size King Hot Tub & Spa is perfect for any party or event.

Its contours provide smooth, full depth seating and a generous foot well for the most natural resting position. While the reclining therapy seat will provide a unique massage for even the tallest people and entry step offers easy access and doubles as a child seat.

Of course for the more private users there is 5 individual jet layouts each offering a different massage. Our combination of the latest high-tech spa systems ensure the King Hot Tub & Spa is unrivalled in its class for specification, reliability and durability.
